REQUEST: Affinity by Chick Corea Does anyone have a lead for Chick Corea's Affinity It Was performed by Wallace Roney on his album Village.. I always loved this solo When I first heard it, I was somewhat floored Brad's seemingly dissonant yet wonderfully melodic lines had developed to an entirely new level.. As usual, the solo itself also developed and unfolded flawlessly Although I only got around to transcribing the first three choruses, I feel that there is a wealth of information that one can learn from these three alone.. Keith Emerson - Au Privave (live in Italian TV) an amazing and rare interpretation of the Charlie Parkers bebop classic.. To sum up how I interpret what Brad is doing, I believe he is essentially taking the elements that make up the average melodic bebop line and applying them through different cycles, as well as simply interpolating different keys over the harmony of C..
